Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My Dr. & I tried numerous
hormone combinations to help
with my menopause problems
& the product I received from
Madison Pharmacy Assoc. has helped
me immeasurably. I do not be-
lieve the government should
regulate this sort of choice --
where my Dr. can find the
right product for me should
be our choice & not for
the government to regulate
and dictate to us.
